

tis Torquay International School

tis Intensive English Plus

This course is aimed at adults who would like to take an Intensive English Course in the mornings and be free in the afternoons and evenings for their own activities or to continue studying in a class or in our Resource Centre.

The course offers candidates the opportunity of joining a very small class (maximum 4 persons per class). The classes will be at the following levels:

- *Pre-Intermediate*
- *Intermediate*
- *Upper Intermediate*
- *Advanced*

The age range of the clients in the classes is likely to be between 30 and 60 years – occasionally a little younger and occasionally a little older, but experience tells us that the majority will be in the 30 to 60 age range.

There will be 15 hours tuition per week taking place each Monday to Friday morning (i.e. 3 hours per morning) from 0840 to 1200.

The 15 hour programme will offer a range of English Language topics which will be chosen by the teacher in response to the needs and the level of each class.

Naturally we will focus on grammar and vocabulary but the aim will be to help everyone to improve their communicative English language skills; whether they are learning English for business purposes, general use, professional purposes, for travel and tourism or simply for the pleasure.

These classes will be suitable for a variety of adults who need to improve their English language skills. The study period will be intensive but it will also be enjoyable. Classes will be taught by teachers who are not only qualified as English Language Teachers but who are also experienced in the field of adult English Language education.

Candidates will finish their classes each at 1200. During the afternoons and evenings the following possibilities are available:
